Pojďte všichni dovnitř, pozvěte si všechny známé,
^D
my vám dobrou radu dáme, neboť právě otvíráme,
^D ^D ^D ^D
prodáváme, vyděláme, co kdo chcete, tak to máme,
co nemáme, objednáme, všechno máme, všechno víme,
poradíme, posloužíme.

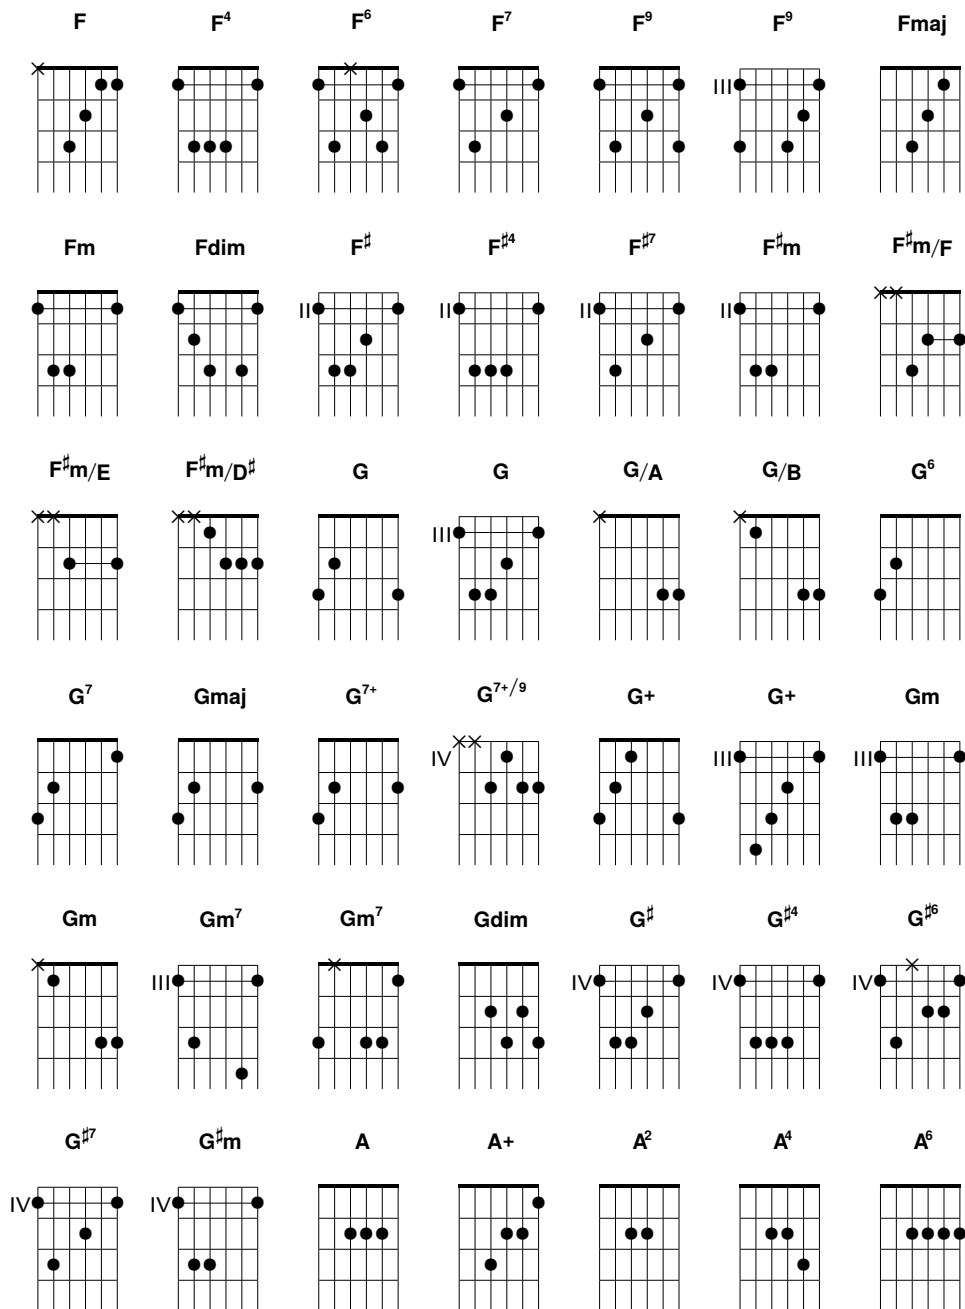

- ^D ^G
 1. Stál kráček v naší ulici, v něm párky, buřty s hořčicí
^A ^D ^{A'}
 a bonbóny a sýr a sladký mák,
^D ^{D'} ^G
 tam chodíval jsem potají, tak jak to kluci dělají,
^A ^D ^{D'}
 a ochutnával od okurek lák.
^G ^D
 A pro mou duši nevinnou pan vedoucí byl hrdinou,
^{E'} ^A ^{A'}
 když po obědě začal prodávat,
^D ^{D'} ^G
 měl jazyk mrštný jako bič a já byl z něho celý pryč
^A ^D
 a toužil jsem se prodavačem stát.

^D
 R: Pět deka, deset deka, dvacet deka, třicet deka,
^G
 kilo chleba, kilo cukru, jeden rohlík, jedna veka,
^A ^D ^{A'}
 všechno máme, co kdo chcete, obchod kvete, jen si račte říct,
^D
 čtyři kila, deset kilo, dvacet kilo, třicet kilo,
^G
 navážíme, zabalíme, klaníme se, to by bylo,
^A ^D
 prosím pěkně, mohu nechat o jedenáct deka víc?

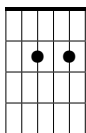

2. Já nezapomněl na svůj cíl a záhy jsem se vyučil
 a moh' být ze mě prodavačů král,
 jenomže, jak běžel čas, náhle zaslechl jsem hudby hlas
 a znenadání na jevišti stál.
 I když nejsem králem zpěváků, teď zpívám s partou Fešáků
 a nikdo vlastně neví, co jsem zač,
 mě potlesk hřeje do uší a mnohý divák netuší,
 že mu vlastně zpívá prodavač.
3. Víím, že se život rozletí a sním o konci století,
 kdy nikdo neví, co je chvat a shon,

a dětem líčí babička, jak vypadala elpíčka
a co byl vlastně starý gramofon.
I kdyby v roce dva tisíce byla veta po muzice,
obchod je věc stále kvetoucí,
už se vidím, je to krása, ve výloze nápis hlásá:
Michal Tučný, odpovědný vedoucí.
